Freeze up to 2 months within contract period, according to freeze rules. After contract period it is possible to freeze 1 month each year. Use of freeze will prolong the contract period equivalent to freeze duration.	Freeze 1 month according to freeze rules within each year.
No initial fee	Enrollment fee NOK 100
After contract period ends, the notice period is one month from the 1st of the following month. Membership runs until termination by the customer.	Membership runs until termination by the customer. Notice period is 1 month from the 1st of the following month.

Contract memberships have a lower monthly fee than the month to month memberships. In both options, access to all the SiO Athletica clubs is included, as is the opportunity to freeze the membership according to freeze rules. In both options, it is also possible for students to use guest training with other student welfare training facilities in other parts of Norway. Membership prices vary related to the financial contributions to SiO Athletica from the different educational institutions.
